WHO WE ARE

Shuck Off™ is a live Oyster Shucking Competition and Festival

featuring local culinary talent as well as amateurs alike—going head to head to see who is the fastest, cleanest oyster shucker in town!

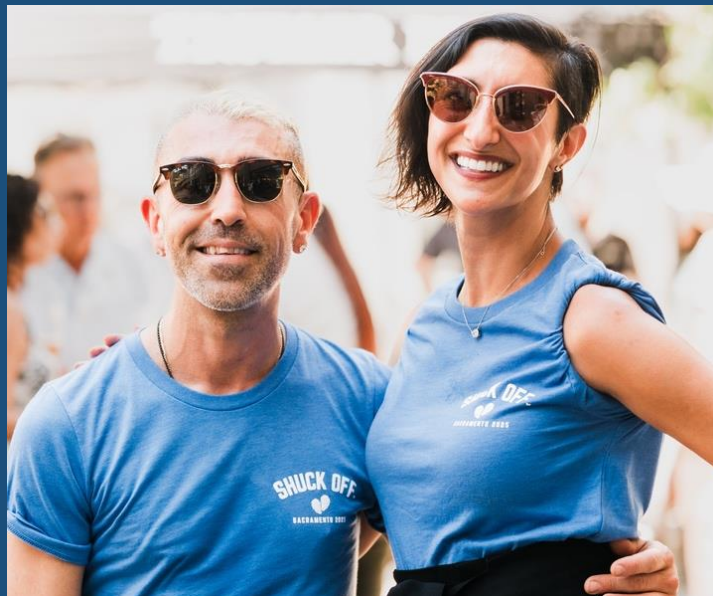

Our Festival attendees watch and cheer on their favorite competitors *as they feast on freshly shucked oysters.*

Shuck Off™ is dedicated to developing champions for national & international stages, representing the Shuck Off™ Community.

We're growing the competitive shucking circuit

Winners can earn a seat at regional qualifiers, national championships, and the world stage.
